

Race Route

Saturday, October 5, 2024 at 8:00 AM

The race will start west of Beaver Valley Elementary School, go around the Watrous Park trail, and route back to Mill Street. The route continues east by Beaver Valley along Mill Street and onto the walking path, then follows the path into the Sunset North neighborhood, crossing Cambridge, Princeton, and Howell Ave. The path continues toward the ball field and through the Brush Skatepark, turning north onto Hospital Road and then west up Bunker Hill. It crosses the road at the bottom of the hill and runs between the golf cart buildings and onto the path east of the golf course. The path will take you north to the Interstate, then west along the Interstate, and turn back south along the west side of the course to the finish line near the playground.

Plan to walk/run on dirt paths, asphalt, concrete sidewalks, and grass. You will get a scenic view of Watrous Park, navigate through the Sunset Park neighborhood, climb Bunker Hill, and run along the beautiful Course at Petteys Park. Jogging strollers and leashed dogs are allowed.
